**CS456 - Exam 1, Part Ib - DUE Tuesday 2/23 by 9:30am  
(4 Points)**

**Directions**

Upload a pdf to Canvas by 9:30am on Tuesday 2/23.

(4 points) **Individual Discussion Topic**

Write a bulleted list providing at least two topics you are considering for your individual discussion to assist in resolving conflicts should multiple people select the same topic.

- The topics should be fairly specific and utilize a current event in the software/computing industry.
- Provide at least one initial source for each topic.
- For each specific topic, briefly discuss in a few sentences how it relates to a social or professional issue regarding technology.

**Example**

- The recent patent litigation between Apple and Samsung is an issue that relates to intellectual property rights.
  - “Judge Invalidates Two Samsung Patent Claims Ahead of Second Patent Lawsuit with Apple” - <http://www.macrumors.com/2014/01/22/judge-invalidates-samsung-claims>
  - In this case, Samsung was found to have infringed on an Apple patent for autocompletion which would not only affect Samsung, but could have farther reaching ramifications to other Android based devices.
